Expiry Date: May 2023

Introduction

What is the Colorectal and Stoma Care Service?

The Colorectal and Stoma Care Nursing service prepares you and your relatives to adjust to life, both physically and psychologically, with colorectal disease. We provide support following surgery which may or may not have resulted in stoma formation.

The service is here to provide you and your families with information, advice and support from the moment you are told you have a bowel disease. We are here to help throughout treatment, before and after surgery and in the community.

The nurse led service works with your doctors and provides you and your family with a point of contact if you have any questions or concerns.

For what conditions is support offered?

Support and advice is offered to people who suffer from:

- Colorectal cancer
- Diverticular disease
- Ulcerative colitis where surgery is indicated
- Crohn's disease where surgery is indicated
- Ileostomy
- Colostomy
- Urostomy

How do I get access to the service?

The Colorectal and Stoma Care Nursing Service is available to all patients in the Wigan and Leigh area.

You may refer yourself to the service: we also receive referrals from relatives, nurses, GPs, consultants or any other health professional.

Referrals can be made by letter or telephone.

Where can you see us?

- In the Outpatient Department
- Whilst in hospital before and after surgery

What do we offer?

- Advice, information and support for you, your relatives and carers.
- Information and advice to promote bowel and stoma care awareness and advice on stoma care products.

We will:

- See you before your operation unless surgery is carried out as an emergency.
- See you before your operation and before you go home.
- Give you an appointment within a week of discharge from hospital.
- Give you information regarding your follow-up care.
- Give you contact telephone numbers for the Colorectal/Stoma Care Department
- Give you written information to support any verbal information you have been given and relay information following discussion of your treatment plan at our multi-disciplinary meeting.
- Offer you impartial advice relating to current medical trials.
- Offer you impartial advice relating to appliance choice.
- Provide symptom relief advice.

How can we be contacted?

We are based at:

Stoma Care Department (above Highfield Ward)

Royal Albert Edward Infirmary

Wigan Lane, WN1 2NN

Telephone **Stoma Team** 01942 822034 or **Colorectal Team** 01942 822884

Contact times

Monday to Friday, 8am to 4pm

(Answer phone available 24 hours)

If you have a problem outside of these hours please contact:

- The Ward on which you were a patient
- District Nurse
- GP

We hold stoma clinics during the week please ring for an appointment.

Comments, Compliments or Complaints

The Patient Relations/Patient Advice and Liaison Service (PALS) Department provides confidential on the spot advice, information and support to patients, relatives, friends and carers.

Ask 3 Questions

Become more involved in decisions about your healthcare. You may be asked to make choices about your treatment. To begin with, try to make sure you get the answers to three key questions:

1. What are my options?
2. What are the pros and cons of each option for me?
3. How do I get support to help me make a decision that is right for me?

How We Use Your Information

For details on how we collect, use and store the information we hold about you, please take a look at our “how we use your information” leaflet which can be found on the Trust website: wwl.nhs.uk

This leaflet is also available in audio, large print, Braille and other languages upon request. For more information please ask in the department/ward.
