Dear Sir/Madam

You asked:

Could you tell me how many lawsuits have been taken against the hospital trust for negligence and mistakes have been successful between 2020 and 2023 and how much money has paid out to each case.

Also, for each case could I have detail as to the mistake (e.g. operation error, fall in the corridor). Could I have this data broken down year by year as well please.

We do not hold the information you require at the Trust.

If you could please contact NHS Resolutions using the link below:
