Dear Sir/Madam

With reference to your request for information received on 6<sup>th</sup> November 2024, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do not hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

- Codes used by insourcing provider: Please provide a list of each individual tariff (HRG) code, HRG reference name, and total count of references for each code for activity completed by third party insourcing providers. We do not need to know the provider nor the spend. Just the total number of references per code (e.g., FZ51Z, Diagnostic Colonoscopy. Count: 76).**
- Breakdown by Specialty: Please associate and provide the medical specialty (e.g., Gastroenterology, Dermatology, Ophthalmology, etc.).**
- Breakdown by clinical setting: Please specify whether this was for outpatients, day case procedures or diagnostic tests.**

**This information is requested for the financial years 2022-23, 2023-24, and financial year (2024-2025) to date.**

This information is not centrally recorded. The Trust cannot split the insourced activity from standard NHS activity as the HRG codes used are the same regardless of the type of activity.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,

Tabitha Gardner  
Chief Finance Officer
