Dear Sir/Madam

With reference to your request for information received on 6th November 2024, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold part of the information you have requested. A response to each part of your request is provided below.

In your request you asked:

1. Please can I request any statistics around on how many referrals are received to the LD team at Wigan per month/year etc? and where do these referrals mostly come from?

Please see attached.

The Trust is unable to provide information for 2013/14 as the Learning Disability Team were not an EPR service at that stage, therefore was not using the currently reporting system meaning the information is not held in a way that we can pull a report.

The Trust has a policy of not releasing information when the data involved is less than 5. This is because we feel that such low numbers could make the individuals involved identifiable and therefore may cause undue harm and distress.

To disclose this information would:

- a) Contravene the Data Protection Act principles in that it would amount to unfair and possibly unlawful processing, as there was a legitimate expectation by the third parties that this information would remain confidential, and
- b) Disclosure may cause damage or distress to the individual(s) involved, and that damage or distress would be unwarranted (section 10 of the DPA).

2. I would appreciate any form of evidence in relation to respite/LD.

The Trust does not provide this service.

Clarification: The time scale requested is the years 2013/14 & 2023/24.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,
