Dear Sir/Madam

With reference to your request for information received on 15th November 2024, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

I am requesting the following information under the Freedom of Information Act:

1. Does the Trust's LMNS have a perinatal pelvic health service?

Yes, we do have a perinatal pelvic health service.

2. If so, who has responsibility for that service and what is their email address/telephone number?

Shatha Attarbashi, Obstetrics and Gynaecology consultant.

The Specialist Pelvic Health Physiotherapist and Clinic Lead, however it is not Trust policy to release details of non-patient facing members of staff below AfC band 8a.

The Trust does not routinely give out email addresses and direct telephone numbers of staff members as a large number of unsolicited emails/telephone calls could cause disruption to work by blocking email accounts/telephone lines and thereby preventing true work-related emails/calls from being delivered. However, any of the above staff can be contacted via main switchboard on 01942 244000.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,
