Date: 30th December 2024

Dear Sir/Madam

With reference to your request for information received on 29th November 2024, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

- 1. Since July 2024, how many people were admitted to hospitals within your trust or health board with either a primary or secondary diagnosis of malnutrition?**

	Number of Patients
Intrauterine or fetal Malnutrition	<5
Malnutrition	20
Malnutrition in Pregnancy	10

- 2. If it does not exceed the FOI cost threshold, could I also ask how many people were admitted to hospitals within your trust or health board with a primary or secondary diagnosis of either Rickets, Osteomalacia or Scurvy? Please provide a breakdown of the number of incidents of each illness. Again, we are looking for the figure since July 2024.**

	Number of Patients
Rickets	<5
Osteomalacia	0
Scurvy	0

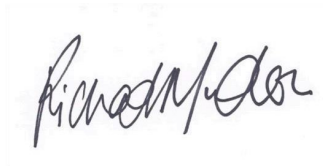

The Trust has a standard procedure of not releasing information when the data involved is less than 5. This is because we feel that such low numbers could make the individuals involved identifiable and therefore may cause undue harm and distress.

To disclose this information would:

- a) Contravene the Data Protection Act principles in that it would amount to unfair and possibly unlawful processing, as there was a legitimate expectation by the third parties that this information would remain confidential, and
- b) Disclosure may cause damage or distress to the individual(s) involved, and that damage or distress would be unwarranted (section 10 of the DPA).

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,
