Dear Sir/Madam

With reference to your request for information received on 18th December 2024, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do not hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

- 1. How many patients have been treated in A and E in 2024 where the clinician has recorded that their condition was result of complications from weight loss jabs, like Semaglutide or Tirzepatide.**

The Trust is unable to provide this data as it is not recorded centrally, if recorded it would be held within individual case notes. As case notes are for the care and treatment of patients, we do not request staff to interrogate them in order to collate the information required to respond to Freedom of Information requests.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,

Richard Mundon
Deputy Chief Executive
