Dear Sir/Madam

With reference to your request for information received on 22nd October 2024, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

I am writing to make an open government request for all the information to which I am entitled under the FOI Act 2000.

- 1. Can you please provide an update regarding the Trust's Infrastructure, including aspects of hosting, help desks, and data warehousing? The six questions are in the attached spreadsheet, which I would be grateful if you could fill in.**

Please see attached.

The annual spend for Laptops, PC's and Tablets is unavailable due to how this information is recorded compared to the categories requested. For instance, "Tablets" is not a category on the system therefore the Trust would have to search for every brand and model of "Tablet" in order to breakdown the costs.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,
