- 8. The person in the organisation responsible for this particular contract. Can you send me the full contact details Contact Name, Job Title, Contact Number and direct email address for each network provider? If full contact details cannot be provided, please send me their actual job title.**

This is a Trust wide contract which both IT and Procurement assist/support with putting in place.

The Trust does not routinely give out email addresses and direct telephone numbers of staff members, as large numbers of unsolicited emails/telephone calls, could cause disruption by blocking email accounts/telephone lines thus preventing true work-related emails/calls from being delivered. However, any of the above staff can be contacted via main switchboard on 01942 244000.

- 9. If the mobile phone contract is provided by a managed contract, please provide me with the actual name of the network provider along with the number of connections and the internal contact from within the organisation responsible for this contract.**

Connection information provided above in Question 3.

For the internal contact please see Question 8.
