Dear Sir/Madam

You asked:

I would like information regarding work on organ transplantation.

Please provide me with the details of the countries of destination for any foreign medical staff who have received training in transplant medicine at your trust between 1/8/2018 and 1/8/2023.

In providing this information please give the start and end dates of any training, the type of training (for example doctor exchange, research project), and if it focussed on any particular topic.

Medical Education do not organise and/or deliver any transplant training. The Trust therefore do not retain the information required to fulfil this request.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,

Juliette Tait
Chief People Officer
