Dear Sir/Madam

With reference to your request for information received on 8th November 2023, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

Excluding reports relating to incidents of self-harming behaviour, disruptive/aggressive behaviour and patient abuse, please provide me with the most the five most recent ‘serious incident reports’ (or ‘patient safety incident reports’ or ‘root cause analysis investigation reports’) relating to incidents which have occurred in the following departments:

- **Medicine**
- **Surgery**

Refusal Notice: Sec 40(2) Personal Information

Please note the reports are been withheld under section 40(2) (personal information) of the Act. This is because releasing the reports would make individual patients identifiable. Section 40(2) is an ‘absolute’ exemption and the Trust is not obliged to consider whether the public interest favours disclosing the information.

Section 40(2) exempts personal information from disclosure if that information relates to someone other than the applicant, and if disclosure of the information would, amongst other things, contravene one of the data protection principles in Article 5 of the UK GDPR.

In this case, I believe disclosure would contravene the first data protection principle, which provides that personal data must be processed fairly and lawfully.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,

Rabina Tindale
Chief Nurse & DIPC
