Dear Sir/Madam

With reference to your request for information received on 1st February 2024, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

b. Is the contract still running till the end of March 2024?

3. Are there any other remote monitoring solutions for virtual wards/digital tools being trialled, piloted, or contracted by WWL in remote patient pathways?
