## **Refusal Notice: Sec 40(2) Personal Information**

The Trust has a policy of not releasing information when the data involved is less than 5. This is because we feel that such low numbers could make the individuals involved identifiable and therefore may cause undue harm and distress.

To disclose this information would:

- a) Contravene the Data Protection Act principles in that it would amount to unfair and possibly unlawful processing, as there was a legitimate expectation by the third parties that this information would remain confidential, and
- b) Disclosure may cause damage or distress to the individual(s) involved, and that damage or distress would be unwarranted (section 10 of the DPA).

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,
