Dear Sir/Madam

You asked:

**I kindly request your assistance in providing me with information regarding the prevention strategies implemented or planned by your NHS Trust (if available) in line with the NHS Long-Term Plan 2019.**

**Specifically, I am interested in obtaining details about the measures, initiatives, and actions taken by your NHS Trust to address the "prevention" aspect outlined in the NHS Long-Term Plan. This may include but is not limited to:**

**Strategies or programs focused on promoting healthy lifestyles and preventing diseases. Initiatives aimed at reducing health inequalities and improving access to preventive healthcare services. Collaborations with local authorities, community organizations, or other healthcare providers to enhance prevention efforts. Allocation of resources or funding for prevention activities. Policies or guidelines related to preventive healthcare services.**

**This may be referred to as a "prevention strategy". I would like to see any overarching prevention strategies from the trust, not individual departments.**

Our strategy 2030 is easily accessible via [WWL Teaching Hospitals NHS Foundation Trust | Trust Strategies](#)

**Refusal Notice: Section 21 - Information accessible to applicant by other means.**

(1) Information which is reasonably accessible to the applicant otherwise than under section 1 is exempt information.

(2) For the purposes of subsection (1)—

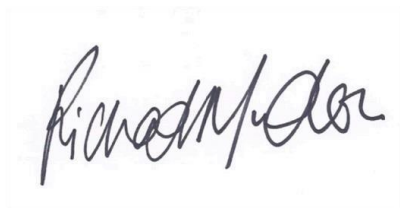

(a) information may be reasonably accessible to the applicant even though it is accessible only on payment, and

(b) information is to be taken to be reasonably accessible to the applicant if it is information which the public authority or any other person is obliged by or under any enactment to communicate (otherwise than by making the information available for inspection) to members of the public on request, whether free of charge or on payment.

(3) For the purposes of subsection (1), information which is held by a public authority and does not fall within subsection (2)(b) is not to be regarded as reasonably accessible to the applicant merely because the information is available from the public authority itself on request, unless the information is made available in accordance with the authority's publication scheme and any payment required is specified in, or determined in accordance with, the scheme.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,
