Dear Sir/Madam

You asked:

**I was just wondering if you have policies and procedures specifically to anything related to dementia care in the clinical setting.**

The Trust does not have a Policy related to Dementia specifically.

Patients do not get admitted to hospital because of a dementia diagnosis they are treated for another condition but they have dementia.

The plan for these patients is to treat them as an individual and in line with any related NICE Guidance.

- NICE NG97 – Dementia Assessment, Management and Support for People Living with Dementia and their carers
- NICE NG 16- Dementia, Disability and Frailty in Later-Mid-Life approaches to delay or prevent onset
- NICE TA217- Donepezil, Galantamine, Rivastigmine and Memantine for the Treatment of Alzheimer's Disease
- NICE Quality Standard QS184- Dementia
- NICE Clinical Guideline CG103- Delirium : prevention, diagnosis and management in hospital and long term care

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,

Amanda Cheeseman  
Deputy Chief Nurse
