Dear Sir/Madam

You asked:

Could you please tell me for the years 2018, 2019, 2020, 2021, 2022 and 2023 [current number as of 9th October]:

- **the number of A&E admissions where 'ketamine' has been recorded [either in patient notes or in free text field 'reason for visit']**
- **please break down these admissions by age group [e.g. - 12-17/18-24]**

There are no Ketamine related A&E Attendances reported on our system.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.
