Dear Sir/Madam

You asked:

1. What IT systems and applications are you planning to replace or upgrade over the next year?

The Trust is planning to replace or upgrade anything that is end of life or end of support. Also whatever the business cases are approved to be upgraded.

2. Are you looking to complete a HIMSS INFRAM assessment in the next twelve months?

I don't believe the Trust are planning to repeat the INFRAM assessment in the next 12 months as the last one was only completed in early 2022.

3. When are you planning to review your Digital Strategy?

The Trust digital strategy is still current and is reviewed at least annually.

4. Please supply a copy of the Trust's most recent Digital Strategy.

This is Publicly available on our web page : [WWL Teaching Hospitals NHS Foundation Trust | Trust Strategies](#)
