Dear Sir/Madam

With reference to your request for information received on 20th October 2023, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

Performance data against the following two metrics, for the financial years 2019-20, 2020-21, 2021-22, and 2022-23:

- **Proportion of service users presenting as emergency admissions who undergo sepsis screening and who, where screening is positive, receive IV antibiotic treatment within one hour of diagnosis**

The Trust is unable to provide this data as it is not recorded centrally, if recorded it would be held within individual case notes. As case notes are for the care and treatment of patients, we do not request staff to interrogate them in order to collate the information required to respond to Freedom of Information requests.
