The Trust does not routinely give out email addresses and direct telephone numbers of staff members as a large number of unsolicited emails/telephone calls could cause disruption to work by blocking email

accounts/telephone lines and thereby preventing true work-related emails/calls from being delivered. However, any of the above staff can be contacted via main switchboard on 01942 244000.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,

Juliette Tait
Chief People Officer
