

Playing together

It's fun when
you use silly
voices and
enjoy playing
too!

Let me take the
lead and choose
what we play
with

Taking turns
together in
play helps me
to listen

I learn lots of words
from you when we
play. Talk about
what we are doing
together.

I like it when
you sit close to
me so I can see
your face

Did you
know?
